- ☐ Other (describe fully on the reverse of this form)

Conservation Easement Alteration Application

Does the proposed use conform to the current Deep Creek Lake Zoning ordinance?

Use the following space to describe your request and any proposed uses, activities or improvements. Any approval by the Department to use or conduct any alteration to the conservation easement property depends upon an accurate and thorough description of your proposal. Attach additional pages if needed.

Attach a plat, survey or drawing depicting an aerial view of your project with respect to the conservation easement site and DNR property lines, including the location of any existing or proposed improvements. In the case of buildings or structures, give dimensions and square footage involved.

Applicant Signature: _____

Date: _____
